"The new Music Bed site is all about us getting out of the way and putting the music — and the musicians — front and center..

Best Royalty Free Music For FilmAnd the good news is, and any project from the small wedding photo slideshow, to the indie film trailer, you'll be able to find a great tune to polish up your project! While there are dozens of sites out there, we tend to stick to a few key players depending on our budget, scope, and style of music.. So let's take a look at some of our favorite stock music sites when it comes to: The Musicbed brings a voice to indie musicians, making their music accessible (and affordable!) to filmmakers, agencies, non-profits, and more.
